Vertical Tank

Description

Sealey SAC05020 Oil Free Belt Drive Compressor - with 50Litre Vertical Tank

The Sealey SAC05020 has a aluminium cylinder with cast iron lining that gives reduced weight and improved resistance to wear. Suitable for general purpose workshop applications, This Oil free, single piston pump is belt driven by a 2.0hp motor and fixed to a vertical type tank, saving space around the workshop. The Vertical receiver tank is manufactured to meet Pressure Vessel Directive 87/404/EEC.

Fitted with fully automatic pressure cut-out switch and air regulator with gauge. Supplied with handle and wheels for easy manoeuvrability and has an ASTA/BS approved non-rewirable plug.

Features

- Handle and Wheels
- Pressure Cut-out Switch

Specification

Field	Detail
