£184.64

Carriage Free UK Mainland.

Features

- Manufactured from lightweight yet durable composite material which gives reduced weight and increased resistance to wear.
- Suitable for general workshop application.
- Oil free, single piston pump is driven by a 1.5hp motor inside the body, saving space around the workshop.
- Fitted with fully automatic pressure cut-off switch and air regulator with gauge.
- Features integral handle and four rubber feet for stability.
